

GPHA STATEMENT OF PURPOSE

To encourage an exchange of ideas among professional horticulturists in the St. Louis area, the GPHA strives to inform and educate its members and to promote quality and professionalism in the horticultural field. Membership is open to those currently employed in the fields of landscape design, installation or maintenance on commercial or noncommercial sites.

Our membership runs from January 1 to December 31. Submit your applications and dues as early in the year as possible to receive the fullest membership benefits. Meetings are usually on the second Tuesday of each month (depending on location and guest speaker availability) at scheduled locations. Now is the time to submit your application and dues to get the full benefit of the membership of GPHA and Hort Coop. We really need everyone to renew by Feb 1 to have a roster available for to everyone to receive our meeting notices and the mailings for the Hort Coop events.
